DEFINED BY THE NATIONAL COMPETITION REGULATIONS)

(District Competitions are meant to be a scaled down version of National Competition. It is important for the students to participate in a competition that will reflect a cross-section of the industry skills needed to prepare them for the state and national levels)

The contest is defined by industry standards as set by the current industry technical standards. The contest will consist of three parts: a design problem, an online written test and a hands-on evaluation.

KNOWLEDGE PERFORMANCE

The contest includes a written knowledge test including topics identified in Health Occupations: Core Knowledge and Skills from Medical Assisting 5th Edition, by Lippencott. Contestants will also be expected to demonstrate the ability of the knowledge and skills in the performance portion of the contest.

SKILLS PERFORMANCE

The contest will consist of simulated office situations and demonstrations.
